

The Rolling Plan for ICT Standardisation & eBusiness

Eurofiling Conference 2019

Frankfurt, 19 June 2019

Antonio Conte, ICT Standardisation Policy Officer
Unit GROW/B3 "Standards for Growth"
DG Internal Market, Industry, Entrepreneurship and SMEs
European Commission

European Commission's view on needs in standard activities

Political

Annual Union Work Programme (Art. 8 of Regulation 1025/2012)

- An annual EC Communication to identify strategic priorities, mandates to be launched. Links to the EU political agenda.

Rolling Plan

Technical

- Much more detailed and technical. Much wider view on internationally ongoing actions.
- Drafted with the Multi-Stakeholder Platform (MSP) ~70 Members + EC services. It reflects the views of the EC and the stakeholders.
- Medium term, specific to ICT.
- For ICT, the EC only funds standardisation activities that are envisaged in the Rolling Plan.

The Rolling Plan for ICT Standardisation

- Overview of EU policies where ICT standardisation is considered relevant for support
- Defines the most important standardisation initiatives and actions to support EU policies for the next years
- Complements the Annual Union Work Programme, focused on ICT and informal
- Rolling plan = Living document = no defined duration
- Addressed to all ICT stakeholders (not only ESOs)
- Joint document: drafted by the Commission, advised by the MSP

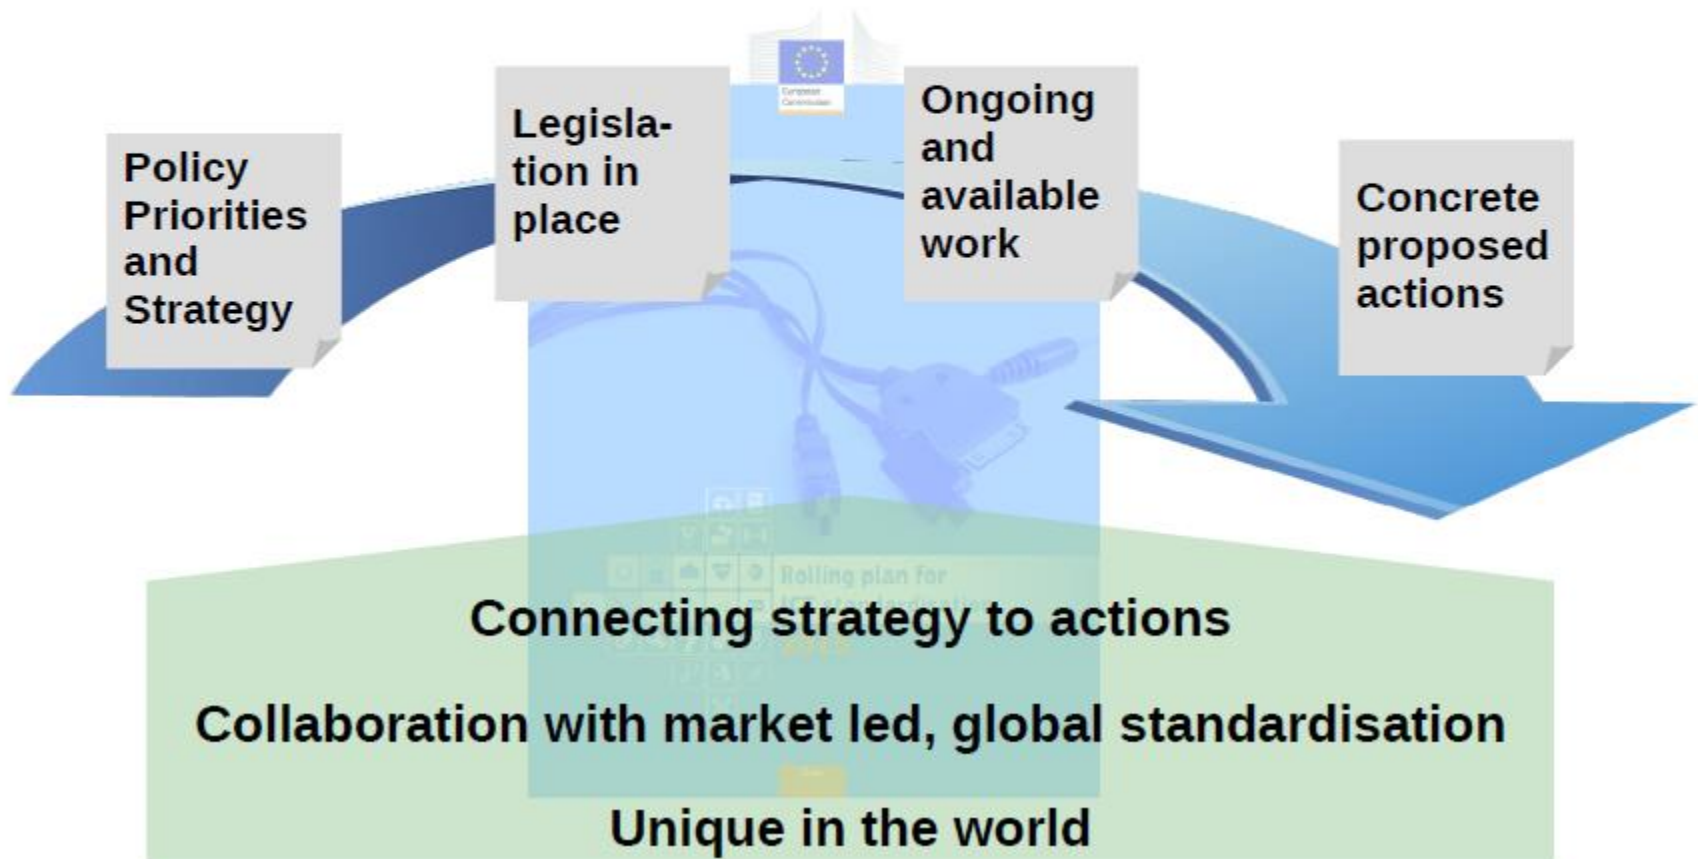

COLLABORATIVE FRAMEWORK

https://ec.europa.eu/growth/content/2019-rolling-plan-ict-standardisation-released_en
